Early learning through art

Early learning through art with Arty Mouse ...

Art with a heart

Arty Mouse loves art. He makes and creates all the time, which is why he's always smiling. His enthusiasm for art of all kinds is infectious – and children can't help but be enthused in turn.

Little mouse, big ideas

Arty Mouse was born in 2015 with a big smile on his whiskery face, a paw full of art materials and a little head jam-packed with big creative ideas. And he wanted to share them all!

Friend and mentor

Arty Mouse is the perfect friend and mentor for children just getting to grips with handling art tools and materials for the first time. Just like them, he loves to get stuck in: crayons, pens, clay, paint, paper, stencils, scissors, stampers, stickers and more.

Meet Arty's friends

Arty Mouse has friends who are as passionate about art as he is. Scribble, Stripy, Dot, Splat, Spiro, Geo and the rainbow birds all have their own special arty gifts. There's something for everyone.

Made with love

Every Arty Mouse title is designed to engage, enthuse and empower. As art skills grow, skills in other areas blossom too, fast-tracking little learners in reading, writing, counting and more!
